PROFESSIONAL SUMMARY

Aspiring Software Developer with hands-on experience in backend development using **Python** (Flask/Django), **REST APIs**, **Firebase**, and **SQL** — along with strong frontend skills in **React.js** and **responsive web design**. Proven ability to independently build and deploy real-world web applications — from authentication-based student management systems to **API-integrated streaming platforms** — on **Vercel** and **Render**. Passionate about writing clean, scalable code and actively leveraging **AI-powered developer tools** — including **GitHub Copilot**, **ChatGPT**, and **Claude** — to accelerate development, improve code quality, and solve complex problems efficiently. Actively seeking a Software Developer or Backend-focused role to contribute and grow in a dynamic team.

TECHNICAL SKILLS

Languages	Python, JavaScript, SQL, HTML5, CSS3
Frontend	React.js, Bootstrap, Tailwind CSS, Responsive Design
Backend	Flask, Django, REST APIs, Firebase Authentication
Database	MySQL, SQLite, Firebase Firestore
Tools & Platforms	Git, GitHub, VS Code, Postman, Vercel, Render, Github Copilot, ChatGPT

FEATURED PROJECTS

► Student ERP System

- Developed a full-stack Student Management System using Flask (Python) and SQLite with complete CRUD functionality.
- Implemented role-based authentication allowing secure admin and student logins with session handling.
- Designed relational database schema to manage student records, attendance tracking, and academic data.
- Deployed as a live production application on Render with stable backend API and database integration.

► Netflix Clone

- Built a fully responsive OTT-style streaming platform using React.js with reusable component-based architecture.
- Integrated TMDB API to dynamically fetch and display real-time movie/TV show data including banners, categories, and detail pages.
- Implemented Firebase Authentication for secure user sign-up, login, and session management.
- Deployed on Vercel with fast load times and mobile-first responsive layout using CSS Flexbox and Grid.

► NexTalk Chat Application

- Built a modern, responsive chat application frontend with a clean and intuitive messaging UI using React.js.
- Designed mobile-first responsive layout ensuring seamless experience across all screen sizes.
- Implemented dynamic conversation components using React.js state management and hooks for smooth UX.
- Deployed live on Vercel, demonstrating production-ready frontend development and deployment skills.

► Personal Portfolio Website

- Designed and developed a personal developer portfolio to showcase projects, technical skills, and professional profile.
- Built with a modern, clean UI and fully responsive layout optimized for desktop and mobile.
- Structured for recruiter-friendly navigation with live project links, GitHub repositories, and skill highlights.
- Deployed on Vercel with optimized performance and clean URL structure.

EDUCATION

Qualification	Institution	Board / University	Year	%
B.Tech (CSE)	NIMRA College of Engineering & Technology	JNTUK, Kakinada	2026	70%
Intermediate (12th)	Budha Inter College, Kushinagar	UP Board	2022	60%
High School (10th)	Lilawati Devi Intermediate College, Piparajham, Kushinagar	UP Board	2020	70%

CERTIFICATION

Python Full Stack Internship (6 Weeks) — ExcelR EdTech Pvt. Ltd. in collaboration with APSICHE | August 2024

ACHIEVEMENTS & HIGHLIGHTS

- Built and deployed 4+ full-stack web applications on live production platforms (Vercel & Render).
- Integrated third-party APIs (TMDB) and Firebase Authentication in real-world production projects.
- Designed and built database-backed applications with CRUD operations, authentication, and REST APIs.
- Demonstrated complete end-to-end development skills — from UI design to backend logic and deployment.

HOBBIES & INTERESTS

- Reading — enjoys exploring books on technology, self-development, and programming.
- Swimming — passionate about staying active and maintaining a healthy lifestyle.
- Cooking — loves experimenting with new recipes and cuisines in free time.

LANGUAGES

- English — *Professional Working Proficiency*
- Hindi — *Native / Full Professional Proficiency*
